New business

SP Chair Needed : Alisann Smookler- Is stepping down as SP Chair but will still be an active member. Natalie expressed an interest after her other commitments lighten up. She will talk with Char & Patti after the meeting to discuss options.

SP Meetings: Natalie Wilson led a discussion about various options for our meetings in order to involve new and younger families and to provide opportunities for committee members to socialize.

Ideas included:

- Send out a survey to glean ideas and input (Natalie will put it together)
- Hold an evening meeting every 3rd month in clubhouse or at a home with appetizers.
- Add an option to socialize after each meeting

Christmas Caroling : Natalie Wilson would like to lead a group to go Caroling the week of the December 19. She will hold a practice and most likely caroling will be on December 20 or 21. More details to follow at our November meeting. She will write an article for the Nov & Dec Kala Pointer.

Other business:

Blood Drive: Request to have a blood drive was discussed and it was agreed that is due to space it's not possible in the KP Clubhouse. Perhaps we could have a Red Cross Bloodmobile here but regardless the proper place to promote a blood drive would be through EPC (Emergency Prep Committee). Scott offered to take this up with the group.

Music on the docks: We learned that it is possible to use a generator at the beach in order to have band play at some of our beach events.

FYI: If you're an Amazon shopper you can direct a percentage of your sales to a nonprofit of your choice through Amazon Smile.

COVID: SP will ask for proof of vaccination & boosters at all social events. We'd keep a checklist so the person would only have to show their card once.

Next meeting date: Tuesday, Nov 1st, 2022 @ 1:00

Meeting adjourned @ 2:10
