The Assessments, together with interest thereon, late charges, attorneys fees and court costs, and other costs of collection thereof, as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the Lot, Unit or TSU against which each such assessment is made. Each such assessment, together with such interest, late charges, and costs and reasonable attorneys fees, shall also be the personal obligation of the Owner of such Lot, Unit or TSU at the time when the assessment fell due. Not later than thirty (30) days prior to the beginning of each calendar year of the Association, the Board shall estimate the total Common Expenses to be incurred for the forthcoming calendar year and adopt such estimate as its Budget. The Board shall then determine the amount of the Regular Assessments to be paid by each Member. Regular Assessments for the current calendar year shall not exceed 115% of the Regular Assessments for the calendar year next proceeding the current year, unless first authorized by a majority of the Members. Written notice of the annual Regular Assessments shall be sent to each Member. Each Member shall thereafter pay to the Association his Regular Assessments in installments as established by the Board. In the event the Board shall determine that the estimate of total charges for the current year is, or will become, inadequate to meet all Common Expenses for any reason, it shall then immediately determine the approximate amount of such inadequacy and issue a supplemental estimate of the Common Expenses and determine the revised amount of Regular Assessments against each Member, and the date or dates when due; provided, that if the supplemental estimate plus the original budget adopted by the Board exceed 115% of the next preceding year's budget, then the supplemental estimate and the additional assessments payable thereunder shall require approval by a majority of the "Net Total Votes"(as defined in the Bylaws) of the Association.

Section 6. Certificate of Payment - The Board, upon demand, shall furnish to any Member liable for assessments, a Certificate in writing, signed by an Officer or authorized agent of the Association, setting forth whether the Assessments on a specified Lot, Unit or TSU have been paid, and the amount of delinquency, if any. A reasonable charge, not to exceed Twenty Dollars (\$20.00) may be collected by the Board for the issuance of these Certificates. Such Certificates shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 9. No Offsets - All assessments shall be payable in the amount specified by the Assessment and no offsets against such amount shall be permitted for any reason, including, without limitation, a claim that the Association is not properly exercising its duties and powers as provided in the Project Documents.

The uniform late charge shall be based on the estimated cost of collection, applicable to Lots, Units, and TSUs, and shall be adopted annually by the Board concurrent with the adoption of the Budget. The interest rate shall be adopted annually by the Board concurrent with the adoption of the Budget and shall not exceed the highest rate permitted by law in RCW 19.52.20. If action is commenced, there shall be added to the amount of such assessment, the late charge, interest, the cost of preparing and filing the complaint in such action, and attorney's fees incurred in connection with such action; and in the event a judgment is obtained, such judgment shall include said late charge, interest, and a reasonable attorneys fee, together with the cost of suit therein incurred. Each Member vests in the Association or its assigns the right and power to bring all actions at law or for lien foreclosure against such Member or other Members for the collection of such delinquent assessments, and each Member agrees that venue of any such action shall be in the Superior Court of Jefferson County, Washington.

Section 3. Foreclosure Sale - Said assessment lien may be enforced by sale by the Association, its attorney or any other person authorized to make the sale after failure of the owner to make the payment specified in the Notice of Claim of Lien within said thirty (30) day period. Any such sale provided for above is to be conducted in accordance with the provisions of Chapter 61.24 of the Revised Code of Washington, as said Statutes may from time to time be amended or re-codified, applicable to the exercise of powers of sale in mortgages and deeds of trust, or in any other manner permitted or provided by law. The Association, through its duly authorized agent, shall have the power to bid on the Lot, Unit or TSU, using Association funds, or funds borrowed for such purpose, at the sale, and to acquire and hold, lease, mortgage, and convey the same.

Section 4. Curing of Default - Upon the timely payment, or other satisfaction of (i) all delinquent assessments specified in the Notice of Claim of Lien, (ii) all other assessments which have become due and payable with respect to the Lot, Unit or TSU as to which such Notice of Claim of Lien was recorded, and (iii) interest, late charges, lien fees, and attorney's fees pursuant to this Master Declaration and the Notice of Claim of Lien which have accrued, officers of the Association or any other persons designated by the Board are hereby authorized to file or record, as the case may be, an appropriate release of such Notice.

Section 5. Cumulative Remedies - The assessment lien and the rights to foreclosure and sale thereunder shall be in addition to and not in substitution for all of the rights and remedies which the Association and its assigns may have hereunder and by law, including a suit to recover a money judgment for unpaid assessments, as above provided.

ARTICLE VIII
ARCHITECTURAL CONTROL

Section 1. Appointment of Architectural Committee - The Architectural Committee shall be a committee working for and reporting to the Board. The Committee shall consist of at least three (3) persons, all of whom shall be Members of the Association. Until such time as all Lots within the Platted subdivisions of the Project have been sold, or the Declarant shall have requested the Association to appoint such Architectural Committee, such Committee shall be composed of Members, a majority of which shall be selected by the Declarant, and the powers of the Architectural Committee shall be controlled by the Declarant, subject to the terms of the separate agreement between Declarant and the Association dated September 16, 1984 (the "Architectural Committee Agreement", Exhibit E) as said Architectural Committee Agreement may be amended from time to time. Notwithstanding the foregoing, the Declarant and the Board shall mutually appoint at least one Member from the Association who is not connected with Declarant. Upon termination of control of the Architectural Committee by Declarant, the Architectural Committee shall be appointed by the Board, provided, however, that as long as Declarant retains some unsold inventory of Lots, Units or TSUs within the Project, then Declarant may at its election have the right to designate one member of the Architectural Committee. Members of the Architectural Committee appointed by the Board shall serve at the pleasure of the Board and may be removed and replaced with or without cause at the discretion of the Board.

Section 2. General Provisions -

(a) The Architectural Committee shall establish reasonable procedural rules and may assess a fee for submission of plans in connection with review of plans and specifications, including without limitation, the number of sets of plans to be submitted. However the Architectural Committee with the prior approval of the Board may delegate its plan review responsibilities to one or more members of such Architectural Committee. Upon such delegation, the approval or disapproval of plans and specifications by such members shall be equivalent to approval or disapproval by the entire Architectural Committee. Unless such rules regarding submission of plans are complied with, such plans and specifications shall be deemed not submitted.

(b) The address of the Architectural Committee shall be the principal office of the Association, as designated by the Board pursuant to the Bylaws. Such address shall be the place for the submittal of plans and specifications and the place where the current Architectural Standards, if any, shall be kept.

Section 3. Architectural Standards - The Board and the Architectural Committee shall, from time to time, adopt and promulgate Architectural Standards to be administered through the Architectural Committee. The Architectural Standards shall include, among other things, those restrictions and limitations upon the Owners set forth below:

(a) No building, fence, wall or other Structure shall be commenced, erected or maintained upon the Covered Property nor shall there be any addition to or change in the exterior of any Dwelling, Structure or other improvement, unless plans and specifications therefore have been submitted to and approved by the Architectural Committee.

(b) Time limitations for completion of any architectural improvements for which approval is required pursuant to the Architectural Standards; and

(c) Architectural improvements shall conform to the plans and specifications approved by the Architectural Committee and to the Architectural Standards. However, unless notice of the non-completion or non-conformance identifying the violating Lot, Unit or TSU and its Owner and specifying the reason for the notice, executed by the Architectural Committee shall be given to such owner within sixty (60) days of the expiration of the time limitation described in Subsection (b) above, and unless legal proceedings shall have been instituted to enforce compliance or completion within sixty (60) days after the last to occur of the above time period, the completed architectural improvement shall be deemed to be in compliance with the plans and specifications approved by the Architectural Committee and in compliance with the Architectural Standards of the Association. If the architectural improvements have not been completed within the time limits established above, then the Architectural Committee with the approval of the Board of Directors may cause the work to be done at the expense of the non-complying Owner or Owners' Association in accordance with the approved plans and specifications. The Board at its option may also levy a fine for noncompliance.

Section 4. Additional Requirements - In addition, the Architectural Standards may include such other limitations and restrictions as the Board and the Architectural Committee in its reasonable discretion shall adopt, including, without limitation, the regulation of the following: construction, reconstruction, exterior addition, change or alteration to or maintenance of any building, Structure, Dwelling, wall, fence or landscaping including without limitation, the nature, kind, shape, height, materials, exterior color and surface and location of such Dwelling or Structure.

Section 5. Non-liability - The plans and specifications are not approved for engineering design, and by approving such plans and specifications neither the Architectural Committee, the members thereof, the Association, the Members, the Board nor Declarant assumes liability or responsibility therefore, or for any defect in any structure constructed from such plans and specifications. In the event the Architectural Committee fails to approve or disapprove such plans and specifications within Thirty (30) days after the same have been duly submitted in accordance with any rules regarding such submission adopted by the Architectural Committee, such plans and specifications will be deemed approved.

Section 6. Appeal - In the event plans and specifications submitted to the Architectural Committee are disapproved or any Owner disagrees with any ruling of the Architectural Committee, the party or parties making such submission may, subject to terms and limitations of the Architectural Committee Agreement, appeal in writing to the Board. The written request must be received by the Board not more than Thirty (30) days following the final decision of the Architectural Committee. Within Forty-Five (45) days following receipt of request for appeal, the Board shall render its written decision, which written decision shall be binding upon the Architectural Committee and the Member so appealing its decision. The failure of the Board to render a decision within said Forty-Five (45) day period shall be deemed a decision in favor of the appellant.

ARTICLE X
INSURANCE

(b) A policy of fire and casualty insurance with extended coverage for the full replacement value of the common Areas with an "agreed amount endorsement" or its equivalent and clauses waiving subrogation against Members and the Association and Persons upon the Covered Property with the permission of a Member, such insurance to afford protection against the loss or damage by fire and other hazards covered by the standard extended coverage endorsement, and for sprinkler leakage, debris removal, cost of demolition, vandalism, malicious mischief, wind storm, water damage, and such other risks as shall customarily be covered with respect to similar planned unit developments in the area of the Covered Property.

(c) Fidelity coverage against dishonest acts on the part of directors, officers, employees or volunteers who handle or are responsible to handle the funds of the Association, which coverage shall contain waivers of any defense based on the exclusion of persons who serve without compensation or from any definition of "employee" or similar expression.

Section 3. Other Insurances: Annual Review - The Association may purchase such other insurance as it may deem necessary, including, but not limited to, plate glass insurance, Workman's Compensation, officers and directors liability, and errors and omissions. The Board shall annually determine whether the amounts and types of

insurance it has obtained provide adequate coverage for the Common Areas in light of increased construction costs, inflation, practice in the area in which the Project is located or any other factors which tend to indicate that additional insurance coverage may be required. If the Board determines that increased coverage or insurance is appropriate, it shall obtain same.

Section 4. Premiums and Proceeds - Insurance premiums for any such blanket insurance coverage obtained by the Association and any other insurance deemed necessary by the Board shall be a Common Expense to be included in the Regular Assessments levied by the Association. Insurance proceeds shall be used by the Board for the repair or replacement of the property for which the insurance was carried, or otherwise disposed of as provided for in the Article hereof entitled "Destruction of Improvements". The Board is hereby granted the authority to negotiate loss settlements with the appropriate insurance carriers. Any Two (2) members of the Board may sign a loss claim form and release form in connection with the settlement of a loss claim, and such signatures shall be binding on the Association and the Members.

ARTICLE XI DESTRUCTION OF IMPROVEMENTS

In the event of partial or total destruction of improvements located on the Common Areas, it shall be the duty of the Association to restore and repair the same to its former condition as promptly as practical. The proceeds of any insurance maintained pursuant hereto shall be used for such purpose. In the event the amount available from the proceeds of such insurance policies for such restoration and repair shall be at least Eighty-Five Percent (85%) of the estimated cost of restoration and repair or the cost not covered by insurance proceeds is less than the sum of Twenty-Five Dollars (\$25.00) per Lot, Unit or TSU, a Reconstruction Assessment with each Member contributing a like sum (other than TSOs which shall jointly contribute a like sum for each TSU owned) may be levied by the Association to provide the necessary funds for such reconstruction, over and above the amount of any insurance proceeds available for such purpose. In the event that the amount available from the proceeds of such insurance policy for such restoration and repair shall be less than Eighty-Five Percent (85%) of the estimated cost of restoration and repair or greater than the sum of Twenty-Five Dollars (\$25.00) per Lot, Unit or TSU, the improvements shall not be replaced or restored unless a majority of the voting power of the Association agrees in writing to such replacement or restoration or gives its affirmative vote at a meeting duly called therefor. In the event of a determination, as provided above not to replace or restore the improvements on the Common Areas, the Common Areas shall be cleared and landscaped for community park use, and the costs thereof shall be paid for with insurance proceeds, and any deficiency may be raised by Reconstruction Assessments in an amount determined by the Board. In the event any excess insurance proceeds remain, the Board, in its sole discretion, may retain such sums in a general funds of the Association or distribute pro rata all or a portion thereof to the Members. The rights of an Owner and the Mortgagee of his Lot, Unit or TSU as to such pro rata distribution shall be governed by the provisions of the Mortgage encumbering such Lot, Unit, or TSU. All amounts collected as Reconstruction Assessments shall be used for the purpose set forth in this Article and shall be deposited by the Board in a separate bank account to be held in trust for such purposes. Such funds shall not be commingled with any other funds of the Association AND shall be deemed a contribution to the capital account of the Association by the Members.

All of the above are sometimes hereinafter referred to as "the Parties".

RECITALS AND DEFINITIONS

All of the above Parties have been involved either as plaintiffs or defendants in Jefferson County Superior Court action entitled Kala Point Village, Ltd., et al., vs. Kala Point Swim & Racquet Club, et al., Jefferson County Case No. 84-2-00106-1. It is the Parties' desire to resolve and compromise amicably that action on the terms and conditions set forth below: "Common Areas" shall include all common areas and recreational facilities owned or to be owned by the Club, or under the control or management of the Club for the general use and enjoyment of Kala Point Owners. "Kala Point Owners" or "Owners" shall collectively refer to all owners or long term lessees of real property at Kala Point, including owners of Time Share intervals. "Long Term Lessees" shall mean Lessees of lots, units or TSU's at Kala Point who are owners of a leasehold estate in such properties for an original term of 90 years, or greater. In agreeing to settle and compromise the above referenced cause, the parties do hereby agree as follows:

Section 1: RW Club members shall be entitled to use only Units 26 and 32 in Phase 4 of Kala Point Village, as shown on the map recorded as Auditor's File No. 263586 in Volume 1 of Condominiums, Pages 97 - 101, Records of Jefferson County, Washington, and Units 34 and 36 in Phase 5 of Kala Point Village, as shown on the map recorded as Auditor's File No. 275984 in Volume 1 of Condominiums, Pages 119 - 121, records of Jefferson County, Washington. Units 26, 32, 34 and 36 are hereinafter referred to as the "Authorized Units". RW Club members who hold properly executed temporary assignments of use rights from RW Holding for time segments within the Authorized Units on which current dues has been paid shall be entitled to use the Common Areas on the same basis as other non-members who hold properly executed temporary assignments from other Owners at Kala Point. The Club shall exercise its best efforts in good faith to ensure that insofar as reasonably practicable, these non-members are entitled to the same rights of use and access to the common areas as are members.

Section 2. Time segments in the Authorized Units may be used by members of RW Club only if RW Holding pays current annual dues to the Club for each of the timeshare segments of which it is or will become an owner or long term lessee and/or any time segments in the Authorized Units actually used by RW Holding for use or occupancy by RW Club Members. Interval International members who have obtained their right to use the Authorized Units through the Interval International Exchange Program shall confine to RW Club Members or for use use of Authorized Units. RW Holding shall have the same responsibility for the conduct of RW Club members while at Kala Point as shall other Kala Point Owners for their assignees of use privileges. Annual assessment of dues by the Club on Authorized Units shall be on the basis of individual 1/12th time segments without regard to multiple ownership of such time segments by RW Holding.

Section 3. Units and/or time segments owned or leased by RW Holding at Kala Point and units which continue to be held in inventory by Village Ltd., but for which annual dues have not been paid shall be excluded from the Kala Point Village in-house exchange program. No user of time-share segments for which dues have not been paid to the Club, as above, shall be entitled to use any of the Common Areas of the Club. Use of Common Areas by RW Club members shall be allowed only upon the prior execution by RW Holding of a written assignment of use privileges form approved by the Club to specifically named Vacation Club members and their families. Such assignment or transfer of right to use Common Areas shall be permitted not more than once in any given week of a

four week segment (i.e. four times in any given calendar year) for each undivided 1/2th fee time-share segment owned or leased by RW Holding (i.e. 50 times in any given calendar year for each full Authorized Unit owned or leased by RW Holding).

Section 4. RW Holding and RW Club agree that either they will not attempt, directly or indirectly, without the prior written consent of the Board of Directors of the Club, to gain the right to use time-share units (or undivided interest in any time-share units) at Kala Point Village other than the Authorized Units identified in Section 1 of this Agreement.

Section 5. Use of un-built future time-share buildings or units at Kala Point Village by RW Club members can be permitted only with the prior written consent of (i) the Club Board of Directors, and (ii) the Development Company; provided that the approval of the Development Company shall only be required as long as that Company continues to be engaged in the primary development of Kala Point and is the holder, by virtue of its ownership of properties at Kala Point, of a minimum of 5% of the total voting power of the Club.

Section 6. This Agreement and all of the terms, covenants, and conditions herein shall be binding on each of the parties hereto, and their respective heirs, successors and assigns. In the event that any action is commenced to enforce or enjoin the breach of any of the provisions hereof, or for the declaration of any rights hereunder, the prevailing party in such action shall be entitled to recover from a non-prevailing party as a part of any judgment reasonable attorneys' fees and costs of suit. The Parties further agree that money damages may be an inadequate remedy in the event of any breach of the terms hereof, and an injured non-breaching party may be entitled to a temporary restraining order and/or preliminary or permanent injunction against any conduct which violates the terms, purpose or intent of this Agreement.

Section 7. Use of the Club Common Areas by members of RW Club is subject to the provisions of "Project Documents" (as that term is defined in the Club's Master Declaration ("Master Declaration") - Auditor's File No. 291353), recognition of which shall be made in the membership documents of RW Club. Copies of advertising and promotional literature used by RW Club promoters, which mentions Kala Point, shall be furnished to the Club's Board on a timely basis for a period of 24 months from the date of this Agreement.

Section 8. The Owners of the Authorized Units are subject, as are all Owners at Kala Point, to possible special assessments, as described in the Master Declaration, having to do with the misuse, comparative overuse of or damage to individual units or Common Areas and/or additional management required to manage and control same. The Club shall consult with the Owners of the Authorized Units thirty (30) days prior to taking any action to implement any such special assessments and shall make available to the Owners all financial and other information or data justifying such special assessment.
